A PROPHETIC DREAM.

A PROPHETIC DREAM.

In the "Diary and Letters of Sarah In the absence of our senior, Gen. Pike, we acknowledge the following full are under the sway of Rad Cloud.

Wards, the celebrated theologian, now compliment, rendered to him by the disconnections of the Louisville four. The treasury department has commenced payment of the great cotton claims, amounting to some two millions, sometime since sanctioned by judgment.

Wards, the celebrated theologian, now compliment, rendered to him by the dispublished in Hours at Home, occurs the following letter describing a singular prospection of the Louisville Journal of the great cotton following letter describing a singular prospection.

CRIFFICE.
CRIFFI wants friends took exceptions to the "programme," and so the former made a speech which was not included therein.

The Maine election having turned hargely on "cider" prohibition, the hargely on "cider" prohibition, the first appeared as a little child, just a slower make beginning to ascend a high hill. Not their approaching election.

The papers in the case of Fitz John The papers in t

take measures to reassure Europe. His speeches, however, have not had the effect which was manifestly intended. The general feeling in Europe is not one of a the following most touching extract from take measures to reassure Europe. His would, like a nound, have permitted his subordinate to be sacrificed for obeying bis order? We do not suppose it occurred to this gossiping inventor of lies that he pacific character.

The grand lodge of Odd Fellows on Thursday rejected the motion to admit non-beneficiary members, appointed a committee to revise the German translation of the work of the order, granted a charter to alodge of negroes, and empowers.

The grand lodge of Odd Fellows on Thursday rejected the motion to admit non-beneficiary members, appointed a committee to revise the German translation of the work of the order, granted a charter to alodge of negroes, and empowers the first of the order of th charter to a lodge of negroes, and empow-ered state grand bodies to resuscitate de-was written long before the husband was was written long before the husband was the same way. All this the scribbler of a fatal disease had fastened upon the lovely form of his devoted wife, who died, it is stated, at nel Sickles has not seen his regiment

The Will practice in the Courts of Tunical Control of Tunical Control of Tunical Control of Control to the effect that he would forsske his country forever. He therefore asked to be relieved, and has just disposed of his residence and household effects at auction.

The English papers are laughing at a story in the Paris journals that the late Duke of Northumberisand had an annual income of four million pounds steriling, and that his brother refused to accept payment of one hundred thousand pounds voted him for having acted as makes the sources of approaching death, until at less that the accept and the order for the makes of the past, I shail have not heart of peaches say, that by thin-ning the crop to one-third or one fourth its ordinary numbers on loaded trees, he was still able to obtain as many bushels as before, on account of the increased size, and to obtain triple price. During an abundant season his neighbors, who neglected thinning, found it difficult to get fifty cents per lumbel, while he soil his readily at a dollar and a half. All trees that overbear, and all that have not delicate and the heart of the recompany of the results of the results of the results of their crops by timely thinning—remembering always.

The English papers are laughing at a story in the Paris journals that the late store be keeping its lonely watch over the lips you have so often pressed, and the store between the lips you have so often pressed, and the store between the lips you have so often pressed, and the store of the interest he was still able to obtain as many bushels as before, on account of the interessed by the difficult to get fifty cents per lumbel, while he add the order for the ambassador of England at the coronation of Charles X, but had the order for the sum framed and glassed, and kept it so of approaching death, until at last it has forced itself upon my mind; and although to you and to others it microse of the press. It is not so of the received the part of the lips you have so often pressed, and the heart of the lips you have so often pressed, and the last of the coronation of Charles X, but had the orde sum framed and glassed, and kept it so till his death, thereby losing both the money and the interest on it.

A party of some twenty-six young men playing base-ball, near Troy, N. Y. last Saturday afternson, dispatched one of their number to procure a quantity of their crops by its own the quality of their crops by its own to prove or seven best in the quality of their crops by its own to prove or seven best to pick off the poorest specimes and to pick off the poorest specimes and to pick off the poorest specimes and to milk, and all partook of it. In a few lently alone, with the sure conviction minutes every one of them was taken that I am about to leave all forever and

minutes every one of them was taken suddenly and severely III. Violent go down alone into the dark valley and severely III. Violent go down alone into the dark valley will see the propriety of doing a part of the carmps, purging and vomiting ensued, and the lives of three were saved only and leaning upon his arm 'I fear no by the most prompt and skillful medical evil.' Don't blame me for keeping all attendance. It now transpires that ero this even from you. How could I substantially a tree has to be finally picked by hand, ne will see the propriety of doing a part of this picking so early in the season that the portion left may be improved by the operation.

Suppose, for example, that a tree has attendance in our propriety of doing a part of the pro will see the propriety of doing a part of r ton oil was introduced into the milk by some persons among the party for a joke.

Govarnor Orr, of South Carolina, has written to General Bickles, expressing when your time shall come, and pillowing suppose, for example, that a tree has at the present moment three thousand growing sppies upon it, and that two housand are small and scabby, or indested by the apple worm or stung by the curcuito. If he allows these three thousand all to grow, they will crowd as the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand sprowing sppies upon it, and that two thousand are small and scabby, or indested a provide sand serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and serve preedy.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and served ready provides and served ready provides and served ready.

Suppose, for example, that a tree has at the present moment three thousand served ready provides and served ready.

Suppose, for example, that a tree has at the present moment three thousand served ready.

will be larger than be ever recollects to have seen in the South. The cotton crophage and strong has not done as well, and is variously settmated at from one fourth to thereforthe of a full yield.

—Max Strackesch has organized a troup for opera, concerts and oratorios, which he styles the "La Grange and he proughl the styles the "La Grange and brightened the proposes visiting all the principal to the proposes visiting all the principal doubtless has one of swould be one of swowled as well as the store. But you love the spot, and the stone. But you love the spot, and swowled as well as the stone. But you love the spot, and the stone of swowled as well as the spot and which the spot
